

## TECHNICAL DATA SHEET

### EDGE GOLD Ultralite Body Filler

#### Description

Edgechem's **EDGE GOLD** is a premium quality professional-grade, ultra-lightweight body filler with a creamy texture. The formulation uses lightweight technology to produce excellent filling properties. It applies smoothly, is easy to spread and sand and provides excellent adhesion to most surfaces.

#### Compatible Substrates

Suitable for repairing damaged vehicle surfaces, repairing steel and rigid substrates.

#### Preparation

##### Surface Cleaning

Remove water-based contamination with soap and water e.g.: dirt and bird droppings. Remove oil-based contaminant with degreaser/solvent cleaner. E.g.: oil, wax and grease.

**Bare metal** - e.g. Steel, degrease and abrade with P80 paper

**Original paint surfaces** - degrease and abrade with P180 grit paper

#### Application

Use spreader to apply a thin and even layer of properly catalyzed mixture of body filler to damaged area. Apply additional layers until body filler is slightly higher than original surface allowing for sanding. Allow to dry appropriately then sand as required.

#### Mixing

Edge Gold Lite body filler	BPO hardener
100 parts	2.5 parts
4" diameter circle	4" line across

#### Dry Times

Tack free/ : 25 - 30 minutes 25°C

#### Clean Up

Clean up with Edgechem Lacquer Thinner

#### Properties

VOC	-	182 g/l
Shelf life	-	1 year
Viscosity	-	2000 – 2200 p
Colour	-	golden
Coverage Rate-		32 ft <sup>2</sup> /Gal

#### Important:

This product is intended for professional use only.

#### Limitations:

Edgechem products should not be combined with components of other product lines.

#### Precautionary Information:

The contents of this package may have to be blended with other components before the product can be used. Before opening the packages, be sure you understand the warning messages on the labels of all components, since the mixture will have hazards of all its parts. Spray equipment must be handled with due care and in accordance with manufacturer's recommendations. Follow label directions for respirator use. Wear eye and skin protection. Observe all applicable precautions.

#### Medical Response:
